

**Master Sgt. Jill Tanner**

**1. Why did you join?**

To do something meaningful with my life and also see the world.

**2. What does Women's History Month mean to you?**

To me, Women's History Month means a month where we can acknowledge and celebrate our achievements, as well as the achievements of those in history.

**3. What inspires you to wear the uniform every day?**

Family. People. Freedom.

**4. Name a female who has inspired you and why?**

A good friend of mine, Melissa, who was my First Sergeant way back once upon a time.... She was kind; she was mean; she cared deeply about her Airmen but she didn't mind telling us when we were messing up. She inspired me because she was brutally honest all the time and completely passionate about her job. Oh, and she never cried. (total cool points) :)
