

See Something, Say Something

Our safety and security rely on the vigilance of every community member. If you see suspicious activity, don't hesitate to report it. Your observation, no matter how small it may seem, could be the key to preventing a crime or even saving lives.

What is Suspicious Activity?

Suspicious activity is anything that seems out of place, unusual, or doesn't belong. It could be:

- Unusual behavior or activity by individuals or groups
- Unattended packages or bags left in public places
- Vehicles parked in unusual locations or for extended periods
- Someone showing unusual interest in secure areas
- Attempts to gain unauthorized access to restricted areas

Don't hesitate! If you see something suspicious, say something!

When reporting, remember the SALUTE format:

- **T**ime: When did you observe the activity? Be as specific as possible with the time and date.
- **E**quipment: Did they have any equipment with them? (e.g., backpacks, bags, tools)

"I saw two (Size) individuals loitering (Activity) near the back entrance of the library (Location). They were wearing dark hoodies and jeans (Uniform). I saw them around 3:00 PM today (Time). One of them had a large backpack (Equipment)."
