

Privatized Housing Resident Council

Little Rock AFB, AR

Purpose

The Privatized Housing Resident Council is established as the forum for military members and their families residing in privatized housing to discuss health and safety concerns, identify required improvements, present solutions for problems, and establish positive interaction between residents, wing leadership, the Military Housing Office and Project Owners. **Membership is open to all Privatized Housing military residents (AFI32-6000).**

Goals

Empower residents to voice concerns stemming in open conversations for all stakeholders to enhance programs, processes, and procedures resulting in a safe and healthy housing environment.

Networking between residents.

Opportunity for the Privatized Housing Resident Advocate to aggressively report issues through proper chains of command for action.

Reporting Requirements

The Privatized Housing Resident Advocate, Military Housing Office and Project Owners hold follow-on meetings to discuss and resolve issues which are addressed during the Resident Council meetings.

All issues discussed at the Resident Council will be presented at the quarterly Installation Management Review Committee for information purposes and/or follow-on actions for unresolved issues.
