HERK Hangouts:

These clubs were created in an effort to increase opportunities for meaningful engagement and a connected community on LRAFB, this social club initiative has begun to support and offer many avenues for participating in hobbies, sports, or meeting people with similar interests.

Visit our website for specifics about current clubs!

HerkWerx Innovation Lab:

The Innovation Lab's creates a space and opportunity for Airmen to come together and collaborate with one another while also exploring new technologies. In a sense, it gives Airmen the opening to pursue personal and professional growth while improving the mission of TLR. It has capabilities such as 3D printers, app building and software development tools, and eventually will include digital electronic stations and equipment to create, adjust or design products.
Open from 7:30 a.m. and 4:30 p.m. Monday-Friday
Located in Building 650 on base

Outdoor Recreation:

Outdoor Recreation is your one-stop center for year-round outdoor fun and adventure. Our experienced staff is devoted to bringing you exciting recreation opportunities, a wide variety of equipment rentals, guided adventures and discount tickets to area attractions.

Rockin' at the Rock:

The 19 FSS offers programs with a sense of community and support commonly furnished by other employers, or other state and local governments. We strive to make Little Rock Air Force Base a hometown for the mobile military population.

Our programs, our people are what make up...
the Footprint of the Rock!

LRAFB WEEKLY BULLETIN

Don't see your organization here or do you have an amazing opportunity coming up you want to share?

Have that information added to a Little Rock All Weekly Bulletin by sending your request to 19aw.pa@us.af.mil with the subject line "Weekly Bulletin" by the end of day Wednesday for a Thursday publication. Any additions received after that deadline will appear in the following week's consolidated e-mail. Entries must be 75 words or less and formatted for delivery.

Only content with base-level impact will be included.

Language Enabled Airman Program:

LEAP Selects, Deliberately Develops, and Utilizes language enabled, cross-cultural competent Airmen throughout their careers to enhance the application of air power, fill global mission requirements, and strengthen partnerships and interoperability.

Target Audience: Open to **all** Airmen, Enlisted and Officer.

Developing Enlisted Future Officers:

The DEFO (Developing Enlisted Future Officers) program is designed for Airmen who want to commission or for officers who would like to mentor Airmen during their commissioning journey. The program provides Airmen with mentorship, guidance during application cycles, and shadowing time within selected AFSCs. All ranks are welcome to join the program to assist in molding future officers.

Target Audience: All Ranks

Company Grade Officer Council:

The CGOC is composed of military members who seek to grow as officers in the armed forces, give back to their base and community, and have fun with friends through fellowship. All captains and lieutenants in the Air and Space Forces are inherently members of the "CGOC" with active members taking leadership roles at the local level and up to the regional and national levels.

Target Audience: 2nd Lt, 1st Lt, Capt – O1-O3

Meeting Information: Every second Thursday of the month at 1130 at the Taquiera Amigo Restaurant

The MentorShop:

The Mentorshop is a collaboration of a mentoring forum along with a barbershop.
