

Playgrounds

- Open Playgrounds 15 June
 - Both base lakes and Warfit
- Recommend twice daily sanitization of “touch” surfaces at playgrounds
 - ODR to perform this M-F at 1600
 - Hand sanitizer stations
 - Disinfectant spray with paper towels will be installed
 - Play at your own risk signage & CDC preventative action signage will be posted.
- CDC approved bleach solution
 - Backpack sprayer, at ODR
 - Ask for all persons to leave area until cleared to return
- Cabot, Conway, NLR, Sherwood Parks and Rec
 - Open, not sanitizing. Play at your own risk. Going off of CDC guidelines that sunlight kills the virus and it’s inability to contract from surfaces.
 - Restrooms sanitized twice daily
- Jacksonville Parks and Rec
 - Sanitizing twice daily (0730 and 1430)
 - Using bleach solution in backpack sprayer
 - Spraying all surfaces that can be “touched”
- Hunt (Base Housing); Julie Wickersham, Community Director
